you already love sherry, disregard the next 500 or more words of waffle zealous and direct to unblock the bottle on the door of the refrigerator. You are a rare breed! For those who like with us the xerez continues to be one of the styles of wine with more intriguing wines culturally old varied criminally undervalued betboo 361 all over the world; but many other consumers particularly young people are also interested in this meh' whole. Then, how to give Sherry a sexy transformation for the modern century? Understand when and where we can enjoy xerez is always the key to unblock this fascination. For me salinity of aging the fine layer with manzanilla "starting - meal drinking" especially borrow a wine sparkling more complex nado nozinho (the time spent on it can be so surprisingly versatile as the rich nuts).

On the other extreme of the scale, doce pedro ximénez and moscatel deserve to be appreciated within their own plate of meal betboo 361 times this confined to the sofa when you are inebriated or you could not have another bite -obligated full. They can even make part of their own sobremesa spilled over ice cream/cheese for example: midiarrão with cream; molho amargo for sweet fruits

E amontillado has a period of aging under the flower followed by some oxidative process betboo 361 barrels partially full called botas

. These xerez are browns and super expressive, many times good for dishes typically "tricky-to-pair", like truffle or eggplant; This is a reason why I also recommend amontillado a wine well "takeaway" because it resists the heat of the complexity of the orange funky betboo 361 layers can remove many of these wines too much!

For those sherry oloroso complicated, that only suffer oxidative aging I have enjoyed the dark edge and nut they bring to the cocktails. Mix it with a little vermouth (red) bitter for a betboo 361 cocktail I liked in the Maison Premiere of Brooklyn last month The climate certainly calls for this!

Four sherrys that are worth a try.

18.99 Majestic (ou 16,999 euros no negócio mix-seis), 16.5 % Um excelente 12 anos de idade a partir de um dos produtores mais icônicos xerez Distintivo e polido alimentos amigável

O melhor Pedro Ximénez
