Short-Deck Poker: How to Play 6+ Hold'em (Official Rules)

What is Short Deck Poker?

Short-deck poker (also known as six-plus hold'em) is a new variation of traditional Texas hold'em that mostly follows the same rules albeit with a significant difference.

Short-deck poker uses a smaller 36-card deck rather than the full 52-card deck.

Most first heard of short-deck poker after it was introduced among the mix in the high-stakes cash games in Macau.

Here we go over the poker rules for Short Deck Poker.

How to Play Poker for Beginners Check out the rules and basic strategy to all the popular poker formats [Click Here](#)

Short-Deck Poker Rules

Before we discover how to play short-deck poker, let's see how to get to the 36-card deck needed to play a game of 6+ hold'em.

The 36-card deck in use in poker short deck is created by removing the 2xs, 3xs, 4xs, and 5xs from the deck (16 cards).

That leaves the 6xs up through the Kxs as well as the Axs.

What about the Aces?

As in regular hold'em, in short-deck poker the aces still count as high or low when making straights.

The lowest possible straight in a game of short-deck poker is Ax9x8x7x6x (think of the ace as essentially replacing the missing 5x).

Poker short-deck is played similarly to regular hold'em.

Each player receive two hole cards and use them in combination with five community cards to create the best possible hand.

A game of short-deck poker features four streets of betting:

Pre-flop Flop Turn River

However, there are some differences in the poker short-deck poker that you should know about before playing.

Short-Deck Poker Hand Rankings

Short-deck poker can be played according to the exact same rules as regular Texas Hold'em.

The betting can be fixed-limit or no-limit (although most often the game is played no-limit), and the same hand rankings can be used as follows:

Hand Ranking Hand Name Poker Hand Lowest High card Kx6x9x8xQx One pair KK5x8xQx Two pair KK66Qx Three-of-a-kind KKK6Qx Straight A6789 Flush KJ1069x Full house KKK66 Four-of-a-kind KKKK6x Straight flush A6789 Highest Royal flush 10JQKA

For more info about the hand rankings in poker and which hand wins, visit our guide to poker hands.

Alternative Short-Deck Hand Rankings

Short-deck poker is played often employing a different hand ranking system. Here are the alternate hand rankings for short-deck poker (note the differences in bold):

Hand Ranking Hand Name Poker Hand Lowest High card Kx6x9x8xQx One pair KK5x8xQx Two

pair KK66Qx Straight A6789 Three of a kind KKK6Qx Full house KKK66 Flush KJ1069x Four of a kind KKKK6x Straight flush A6789 Highest Royal flush 10JQKA

As you can see, following these alternate poker short deck hand rankings a three-of-a-kind beats a straight (instead of vice-versa), and a flush beats a full house (instead of vice-versa).

Why a Different Hand Rankings?

These changes were introduced because the removal of cards from the standard deck alter the probabilities of making certain hands.

For example, with only nine suited cards (instead of 13), a flush is harder to make in short-deck poker than in regular hold'em.

Six-Plus Hold'em Variation — The Deal (Fifth Street)

One other popular variation often introduced in six-plus hold'em has to do with the way the river is dealt.

The game can be played according to the same procedure followed in regular hold'em, with the community cards coming in the same way — flop (three cards), turn (one card), and river (one card) — and betting rounds after each street.

More often, though, instead of a river card being dealt to complete a five-card board, players are each dealt a third hole card instead.

Players then make their five-card poker hands by using exactly two of their three hole cards and three of the four community cards.

The building of hands resembles the procedure followed in Omaha poker where players must use two of their four hole cards plus three board cards to make a five-card poker hand.

Short-Deck Poker Basic Strategy

As you might imagine, the removal of low cards and use of the 36-card deck makes it more likely to make higher value hands, a change that tends to introduce more action.

You should adjust your thinking about relative hand values from what they are used to in regular hold'em.

The smaller deck makes it easier to make two-pair hands, which means a hand like top pair-top kicker is no longer as strong in six-plus hold'em as it is in regular hold'em.

Straights and full houses are also easier to make in six-plus hold'em than in the regular version of the game (a reason for the alternate hand rankings).

The odds of hitting certain draws change, too, in short-deck poker.

Just to highlight one example, filling an open-ended straight draw becomes more likely in short-deck.

While you're still looking for the same eight outs there are fewer total cards in the deck, thus increasing the percentage you'll make your straight.

The smaller deck also affects the likelihood of being dealt certain hands. [Y]ou're more than twice as likely to get pocket aces in short-deck poker than you are in regular hold'em!

Finally, players being dealt a third hole card instead of there being a fifth community card obviously affects hand values as well, making it even more likely that players improve their hands — yet another factor that has to be taken into account when calculating odds and considering your final-round betting strategy.

Conclusion

Short-deck poker / 6+ hold'em introduces several exciting twists to traditional Texas hold'em, creating an action-filled alternative that many players are finding especially enjoyable to play.

The changes from regular hold'em aren't terribly complicated, making it easy to new players to learn and play right away.

Short-Deck Poker FAQ

How do you play Short-Deck Poker? A game of short-deck poker follows the same rules and gameplay as Texas hold'em poker. The players receive two hole cards and they need to combine them with five community cards to create the best possible five-card hand. Short-deck poker, however: Uses a 36-card deck rather than the full 52-card deck

Ranks the hands differently compared to Texas hold'em All the details to know before playing a game of short-deck poker are in this article. Why is short-deck poker so popular? The game of

short-deck poker, os six-plus hold'em became famous at the high-stakes games in Macau. Due to the smaller deck, the game makes it more probably for players to hit high-value combinations. Mais de 100 ex-funcionários republicanos apoiam Kamala Harris para presidente

Mais de 100 ex-funcionários nacionais de segurança e política externa republicanos endossaram Kamala Harris para presidente betfair aplicativo uma carta conjunta às quartas-feiras, afirmando que Donald Trump é "inapto para servir" mais um mandato na Casa Branca.

Ex-funcionários das administrações presidenciais republicanas Ronald Reagan, George HW Bush, George W Bush e Donald Trump, bem como dos democratas Bill Clinton e Barack Obama expressaram seu apoio a Harris, a candidata democrata à presidência nas eleições deste novembro. Eles foram acompanhados por alguns ex-membros republicanos do Congresso.

Ex-funcionários republicanos apoiam Harris contra Trump

A carta disse: "Acreditamos que o presidente dos Estados Unidos deve ser um líder principiado, sério e estável."

Ela continuou: "Esperamos discordar de Kamala Harris betfair aplicativo muitas questões de política doméstica e externa, mas acreditamos que ela possui as qualidades essenciais para servir como presidente e Donald Trump não. Portanto, apoiamos betfair aplicativo eleição para ser presidente."

Entre os signatários estavam os ex-secretários de defesa William Cohen e Chuck Hagel, que serviram nos governos Clinton e Obama, respectivamente. Outros incluem William Webster, um

ex-diretor da CIA e do FBI sob os governos Reagan e o primeiro Bush, bem como Michael Hayden, um ex-diretor da CIA e da NSA sob os governos mais jovens Bush e Obama.

"Firmemente nos opomos à eleição de Donald Trump. Como presidente, ele promoveu o caos no governo, elogiou nossos inimigos e desacreditou nossos aliados, politizou o exército e desprezou nossos veteranos, priorizou seu interesse pessoal acima dos interesses americanos e traiu nossos valores, democracia e este país documento fundador", acrescentou a carta.
