Monkey Mart is an idle/management game where you control a cute monkey character who is in charge of a supermarket. Plant fruits, harvest produce, move around from station to station to fill the stands with various food items. Sell bananas, corn, eggs, peanuts, coffee beans, chocolate, wheat etc. Your customers will pick them up and wait for you at the cashier desk - simply stand next to the cash register to collect your money. As you unlock new aisles and grow your market with new products, you can hire assistants to help oversee the maintenance of the aisles and other employees. You can also buy appliances that can prepare advanced products with your harvest such as chocolate bars, coffee, yoghurt, popcorn, peanut butter, muffins, cookies, ice cream, and more!
