Penalties and player etiquette

Players are expected to maintain a reasonable level of decorum at all times. Standard poker etiquette will be enforced. In its sole and absolute discretion, PokerStars Live Staff may impose penalties ranging from a verbal warning escalating up to exclusion from all PokerStars Live Events and PokerStars Live operated Cash Games.

Disclosure – Players are obligated to protect the other players at all times. Therefore, whether in a hand or not, players may not... Disclose contents of live or folded hands. Advise or criticize play before the action is completed. Read a hand that hasn't been tabled. Discuss hands or strategy with any spectator. Seek or receive consultation from an outside source. The one-player-to-a-hand rule will be enforced. Exposing and Mucking – Players who show their cards to a player who has already folded and then fold their cards themselves may receive a penalty. Dealers upon seeing this are instructed to hold those cards outside of the muck and show them to the entire table when the hand is completed. Players doing this repeatedly will be penalized. Collusion – Poker is an individual game. Soft play, chip dumping, etc. will not be allowed and may be subject to penalties. Etiquette Violations – Repeated etiquette violations will result in penalties assessed by the staff. Examples include, but are not limited to, unnecessarily touching other players' cards or chips, delay of the game, repeatedly acting out of turn, splashing chips, intentionally betting out of reach of the Dealer, or excessive chatter. In addition, excessive celebration through extended theatrics, inappropriate behavior, or physical actions, gestures, or conduct may be penalized.

These violations also include abusive behavior towards other players' playing styles and/or berating players for how they have played or are playing the game. Foul Language – The abuse of other players, PokerStars Live staff, venue staff or other personnel will not be tolerated. Foul, obscene or offensive language directed at any player or staff member may result in a penalty. Repeated non-directed foul, obscene or offensive language may also result in a penalty. All participants must behave in a courteous and civil manner during all games and in all tournament and gaming areas. Any individual who encounters inappropriate behavior on the part of another individual should immediately contact the staff. This shall include, but is not limited to, any player whose personal hygiene or health has become disruptive to the other players seated at their table.

The determination as to whether an individual's personal hygiene or health is disruptive to other players shall be determined by the staff which may, in its discretion, implement sanctions upon any such player who refuses to remedy the situation in a manner satisfactory to PokerStars Live. Any player who intentionally breaks, rips, or defaces cards will be dealt out immediately. Should the player feel they were dealt out unfairly, the issue must be raised with the staff immediately.

Telephone – Players may not speak on the telephone while at the table, whether playing a hand or not. They must step away from the table to conduct their call. Phones, tablets and laptops – Players may use these devices at the table, however not while in a hand. Laptops may not be

plugged into to an external power source while at the table. Periscope, Twitch, etc. – The use of Apps or any other type of capability to broadcast the tournament while in play is not allowed. PokerStars Live staff and venue staff may penalize any act that, in the sole and absolute discretion of PokerStars Live staff and venue staff, is inconsistent with the official rules or best interests of the game. **Noite cedo, um grito poderoso ecoa pela floresta tropical de Farino, no sul da Nova Caledônia. O que soa como um latido de cachorro é, na verdade, a canção do cagou. O pássaro tímido, com penas cinza e uma crista distinta, é difícil de ver através das árvores.**

Este pássaro marcante é um importante símbolo cultural no território do Pacífico Francês e decora selos e notas. Quando se sente ameaçado, o cagou fica bonus bacana play pé e bonus

bacana play crista sobe no ar enquanto se aproxima do oponente e gruda. No entanto, o cagou, que é endêmico da Nova Caledônia, enfrenta uma série de ameaças à bonus bacana play sobrevivência.

O pássaro é considerado bonus bacana play perigo e especialistas estimam que existem cerca de 2.000 na Nova Caledônia. O cientista Jörn Theuerkauf, que estuda os pássaros bonus bacana play Farino, diz que um "massacre" por predadores bonus bacana play 2024 matou cerca de três quartos da população na área. Um incidente semelhante há três anos atrás ainda mais machucou suas fileiras. Cagous não voam e não correm rápido, então são fáceis de caçar para cães e gatos vagantes e porcos selvagens, que pisoteiam os ninhos, construídos de forma rudimentar no chão.

## **Esforços para preservar e crescer a população dão resultado**

Mas esforços para preservar e crescer a população estão dando resultado. Uma série de etapas para proteger os pássaros – incluindo a gestão de ameaças e o rastreamento do comportamento – fizeram com que seus números aumentassem.

Theuerkauf e seu colega Henri Bloc, que trabalha para a organização de conservação Guarda da Natureza brigada, estudaram os pássaros no santuário bonus bacana play Farino por mais de uma década.

## **Aumento no número de cagous**

Theuerkauf diz que a população bonus bacana play Farino "provavelmente triplicou desde 2024. Estamos, portanto, próximos do número máximo de pássaros possíveis no parque".

Desde 2024, eles têm também monitorado os cagous mais de perto. Agora, Bloc diz que eles seguem 15 "famílias", que consistem bonus bacana play uma fêmea e alguns machos, usando transmissores e antenas colocados nas costas dos pássaros. Os dispositivos rastreiam seus movimentos, que podem se estender por até 15 hectares. Bloc estima que cerca de 1.200 cagous vivam no parque e agora rastreiam suas viagens para identificar seu território, bem como monitorar predadores.

Após a implementação dessas etapas, Theuerkauf diz que as famílias começaram a se formar novamente. Os pássaros se reproduziram e nos últimos anos o número de cagous saltou.
