I purchased a chips but they not give me the chips. I message them, and luckily they asking for more info. Regarding to my purchase. I already sent them. They see the Gcash Receipt. And i sent the to them the References No. of the receipt. They've got what they asking me, but they not taking an action. 3days after I buy chips to the game before i Message them. Until now doesn't have an action. If i message again they keep asking me in auto reply 'What i can do for you' This game app is full of problems in cash in and cash out. I bought coins but it i did not receive many times... and i won the game and still can't cash out..and there's a lot of scammers on this

game.. and i can't trust it either on the admin people of this game.. they are telling me that my ID don't exist... but i guess they can't answer back my complaints and feedbacks on this game... they just collect money but no cash out for the winning prize of the players.. don't install this game!

There's no button that i can click to redeem my chips
