My Bet Casino Review

My bet casino 9 has been around since 2003 and is part of the Personal Exchange international ltd and owned by mybet holding SE. 9 Their website includes a variety of different products including a live dealer casino which uses the Amaya platform, a wide 9 range of other Net Entertainment games, live betting on proprietary software and their poker product on the playtech platform. Their casino 9 section at first glance is very easy to use and navigate through. The casinos software is powered by a Canadian 9 software company called Amaya Gaming Group. As we mentioned above mybet's site had a wide range of games including several 9 branded games such as slot games from Marvel and also third party games from Nextgen and other casino software providers. 9 With a range of 160 games in total (and growing every month) you will never get bored of my bet 9 casino! The registration and depositing process is very easy and straight forward for anyone to follow compared to other casinos that 9 can complicate things a bit and confuse users, this is not the case with mybet. In order for new users 9 to deposit money to the casino they must go through their registration process first, then they need to deposit money 9 and finally transfer chips to the casino. Before transferring the chips players are given the option to try out the 9 trial-demo mode of each game which is always good especially in blackjack! At mybet new players receive a fantastic first deposit 9 bonus of up to 500 Euros. When players go through the sign up process and transfer their chips after depositing 9 they receive an 100% welcome bonus up to 500 Euros maximum to get started! ½ In order to meet the T&Cs 9 of the bonus, during the initial chip transfer players must exchange a minimum amount of 25 Euros or 500 Euros 9 if players want to take the maximum advantage of their welcome bonus. The welcome bonus will be automatically activated and 9 will appear in the " my account" section. For regular players that deposit frequently the VIP club option at mybet is 9 ideal! In order to get an invitation to join players must deposit and play on a regular basis. There are 9 a lot of advantages of joining the

VIP club including: a fantastic VIP welcome bonus, additional free bonuses, special promotions 9 only available to VIP's, higher deposit limits and last but not least dedicated support and casino managers.
