About the game Real Taxi Driver 3D

Real Taxi Driver 3D is an exciting browser-based

online game that lets you experience the life of a taxi driver in a bustling city. The game revolves around Tom, a young driver working for a large taxi company in a city reminiscent of Chicago. As a player, you step into Tom's shoes and navigate the city streets in your company car, battling traffic jams, red lights and police patrols. The object of the game is to receive orders via radio, locate passengers using a small map, and deliver them to their destinations within a set time frame. The faster you deliver, the more you earn, allowing you to continue fulfilling orders and experiencing the thrill of the race.

Games like Real Taxi Driver 3D

City taxi driver simulator : A game

that lets you navigate a 3D city, picking up passengers and dropping them off at their destinations.

Modern City Taxi Service Simulator : This game provides a realistic taxi driving experience in a modern city setting.

### **Une era ha terminado en Francia: la derrota histórica de Macron**

Un periodo de siete años de dominio de la política nacional francesa por parte del presidente Emmanuel Macron ha llegado a su fin después de la aplastante derrota de su partido en las primeras rondas de las elecciones parlamentarias del domingo. No solo disolvió la Asamblea Nacional llamando a una votación anticipada, sino que eficazmente disolvió el movimiento centrista conocido como "Macronismo".

El partido de extrema derecha Rally Nacional, ganando un tercio de los votos, no garantiza que ganará una mayoría absoluta en una segunda vuelta seis días después, aunque es probable que se acerque mucho. Pero Macron, arriesgando todo llamando a la elección, terminó garantizando que será marginado, con posiblemente no más de un tercio de los escaños que ahora tiene.

#### **El fin del 'Macronismo'**

"La decisión de disolver la Asamblea Nacional ha puesto fin, de hecho, a la configuración política que emergió de las elecciones presidenciales de 2024", dijo Édouard Philippe, uno de los ex primeros ministros de Macron.

En 2024, Macron, entonces de 39 años, fue elegido con una victoria aplastante, despojando a los gaullistas de centro-derecha y a los socialistas de centro-izquierda, los pilares de la postguerra de Francia, en nombre de un realineamiento del siglo XXI en torno a un centro pragmático. Funcionó durante un tiempo, pero cada vez más, ya que Macron fracasó en formar un partido político moderado creíble, el resultado ha sido un hombre y un círculo cada vez más pequeño de aliados en contra de los extremos de derecha e izquierda.
