Gerson has over 5,000 associates and serves customers in Brazil and worldwide.

Background of the Case

Realizar seguintes etapas levaram à decisão de escolher o Aposta Ganha como novo patrocinador mestre do Figueirense Futebol Clube:

1. Definição das necessidades - Determine Figueirense Futebol Clube area Lationamer S.A dirección that would align well with the values and mission of the football club. With this information, research began, looking for companies marketing that would fit those requirements pre to be a good fit for the football club.
- 2: Pesquisa da internet - Research c companies that would be viable options, scouring the internet for industry publications, blogs and news items mentioning each company and anything

relating to their interest in football, arriving at three different options.

Após análise detalhada, o Aposta Ganha foi selecionado como Melhor Opção.

Three options were:

1. Baines, a software developer, makes mobile applications explicitly designed focusing on the gaming industry. One may quickly build and alter games using their platform
2. BID Master: BID Master, a global intelligence organization, is a tool that uses information to identify, qualify, and close more transactions profitably.
3. And finally, Aposta Ganha! A leading sportsbook operating in Latin America for 12 years, Aposta Ganha has steadily grown in the market by having a positive and trustworthy website striving to curate a spectacular, diverse and safe experience in this category.
4. The analysis made it clear that Aposta Ganha would align the best with the values and mission of the football club and thus was chosen as the best option.

Post-Implementation 5Ms

After choosing the best fit, at Aposta Ganha, it was necessary to implement the plan, thus realizing the growth and positive changes that this agreement would bring to both the club and the fan, the real winners.

Methods and channels used include news pieces highlighting Aposta Ganha's mission and what this partnership entails and the launch of several products that were developed together. Given the fans' support for the union is essential, internal websites, for sponsored ads displaying a unique promotional video made specifically for this agreement. Social media were and communication means of spreading awareness about this crucial partnership and solidifying Figueirense's position as the community's top club to an expansive partner just like Aposta Ganha Football Club.

Retrospect

Upon reflecting on the effectiveness of the partnership, a survey showed greater interest and engagement both from customers and fans, manifesting the fruitful union for Aposta Ganha and Figueirense.

Two other ways they measure the relationship's success

1. Increase in awareness among clients, according to Figueirense through sponsorship via radio and print media. The Figueirense staff and fan created great content thanks to advertising mediums in shared channels.
2. The 17% increase in business attributed to their fan due to their loyalty, given that loyalty was not stimulated or 26%, which provided the better part of two subscription periods from each customer on average.

For strategic management, it's prudent that the club creates team spirit among members, strategic alliances at all levels and the betting community. It helped to ensure growth while stimulating a sense of loyalty among customers, employees and players. The increased revenue has poured straight back into the club to develop the fans. Therefore, the entire community benefits rather than the decision being purely pecuniary.

By employing ethical strategies, they reaped and upheld trust and public credibility. There has always been careful regulation of actions, agreements and internal, so the partnership lasted for 7 years. Making an effort for businesses to be conscious of ethics and public perception enhances reputation, resulting in fans joining and remaining loyal, which increases revenue and reinforces the bond even further. Although both parties gained significantly, this arrangement is very mutually beneficial.

The decision considerably aligned with a key principle for businesses that would significantly strengthen credibility if they used sports as a promotion tool in general. The stakeholders, particularly the presidents of clubs involved and the brands sponsoring with each match held are constantly concerned with meeting the teams' objectives, compelling the game sponsor to construct relevant structures tailored to their interests.

Furthermore, I also implemented various ways to reinforce Figueirense's presence digitally in campaigns, targeting bettors in Santa Catarina-born business management online to generate a game sponsor capable of raising attention at all levels in Brazil to become one of the top sports clubs in Brazil, based through initiatives like Aposta na Rede.

VII Conclusion

The long-lasting partnership enables all parties to benefit. Football fans believe Betting has strengthened the clubs commitment to the community and they highly value sustainable stability. The union also aided in highlighting important aspects that Figueirense fights. The companies core mission is crucial. Having those values promotes actions, quality structures for the Figueirense FC and development that helps solidify sustainable bonds among supporters and the neighborhood. Investments in football clubs and casinos at large will develop when bets have favorable odds

Since this system holds unique game resources, businesses and their infrastructure provide reliable experiences for partners

Aposta Ganha wishes the partnership to last since its a huge success, strengthen bouth brands identities and disseminate their message throughout Betters field widely and to a wide and varied demographic. We firmly believe together it's possible for the dream can make a difference that changes peoples life , make a difference in people' s lives, change the future and maintain each clubs rich identity.

With a presence in various places, The Figueirense can inspire people. Thanks to it's sustained victories, Brazil has known Aposta Ganha, the largest site, because it has gained the population's preference making it number one in sales as well as having an updated modern website focusing in the customer, the company owns this differentiated place, modern profile and provides resources. Maintaining harmony, increasing popularity and the receptivity to such new experiences. Football clubs bring together many different kinds of sponsors. to engage people The public relies on the union's permanence, and ethical bond is crucial to promote this form of trust and solidarity. No sponsor today would get involved with malicious intent toward the fanbase or put so much into bringing success from investing in technology infrastructure to make money, to leave negatively. In a study, one thing draw particular attention. Almost 76% of Brazilians have claimed that corporate responsibility was essential when choosing a brand to believe in, a determining aspect in this market that is the vast majority of global sports audiences.

Thus it demonstrates the positive outcomes partnerships for Aposta Ganha invest in CSR . Here fans get together without commercial objectives, where fans get together where ideas are exchanged before, during and after the events, which creates confidence, credibility and loyalty at all levels.

Sports increase awareness of social and environmental problems and promote activities through product certification programs and movements. New formats attract new players with other preferences and tastes changing the fans routine. Esports surges. Resistance is vanishing
