Full Multify! Info: Rules & Layout

Matching a minimum of three symbols on consecutive reels will give you a standard win on the Multify! slot machine. Landing more than one symbol on any reel multiplies the standard win. At the end of the win, the Dropdown feature comes into play – all winning symbols are removed, and an extra Wild is added, then new symbols are added, giving more chances to win.

The extra Wilds

increase the reel multiplier, and multipliers are added to the entire dropdown, so landing a winning symbol on a reel with a multiplier will multiply that win. Landing three Scatters will trigger the Multify! Free Spins and the activated reel multipliers from the base game are carried over.
