About Free Escape Games

Escape games, also known as escape room games, are a category of puzzle games that challenge players to use elements of the game environment to escape a confined environment.

The concept was first popularized in Japan, where the first escape game, titled MOTAS (Mystery Of Time And Space), was released in the early 21st century. Designed by Toshimitsu Takagi in 2004, it sparked the global trend of escape games enjoyed by players of all ages today.
