What are Naruto Games?

Start Your Journey to Become a Ninja

It's time to begin your journey as Naruto across multiple games, testing your skill as a Ninja in everything from the speed of your mind to the speed of your reflexes. In the Memory Game, you get to test how fast your mind works with other characters. How quickly can you identify a face and remember where it was? This might sound easy enough, but when you're battling against the clock, your mind tends to panic. If you want to win at Memory game, you must make sure you retain as much memory as you can to get the highest score.

Memory isn't the only thing tested on your journey to becoming a ninja. In the Naruto game - Bomberman, you're playing as a Ninja as you test your reflexes when placing bombs. Not only are you watching out for your own bombs, but you must deal with an opponent placing their own bombs on the field. You gain points by clearing obstacles. To clear more obstacles in the Bomberman game, you must place your bombs right next to them and get to a safe distance. Once an obstacle explodes, there's a chance a power-up will appear. One power-up gives you stronger bombs that extend longer distances. Once all the obstacles are clear, it's time to take out your opponent. Do you have the reflexes to dodge both bombs on your way to a high score? Fight Against Other Ninjas in these free Naruto Games online

On your journey to become a Hokage, you must contend with other ninjas. That doesn't mean you don't have to relax along the way with coloring games, such as Boruto Coloring. That also doesn't mean you're below delivery work with Naruto Bike Delivery. Sometimes you must do what you must do to become the best ninja you can be.

If you don't know where to get started to becoming The Seventh Hokage, then you can start with Battle Arena. In the Battle Arena, you're only contending with a couple of enemies who are transforming Naruto's Kagebunshin into even more enemies. Think of a zombie apocalypse, except with ninjas. You don't want to get overwhelmed by enemies in Naruto Battle Arena. You must use your skills as a ninja to blow away your enemies to give yourself a chance to strike. But be careful, you don't have a lot of time to do so. If the time runs out, then you lose the game. You must be quick on your feet and with your mind.

When you've played the other free Naruto games it's time to take what you've learned and play Naruto Vs. Sasuke. In this game, you finally get to test your powers against Sasuke himself on your road to becoming The Seventh Hokage. Use your special attacks and dark powers to take down your opponent, but don't forget to keep yourself healed or the game will be over. Sasuke

will not hold any punches.

Become The Seventh Hokage

You won't become to Seventh Hokage by only fighting other ninjas. At some point, you must test your strength and skill against the best that other characters have to offer. In Bleach Vs. Naruto, you're using the powers you've learned by playing the other Naruto games to battle against the strongest enemies in the Bleach Universe.

Whether you just want to have some fun delivering, going to the beach, and spending time at the beach playing sports, or you want to test your skills against the best, there is no shortage of Naruto games to keep you busy for hours as the world's best ninja.
