The Heroes Slots Review

In March 2024, Mobilots released a team of superhumans with special powers to deliver a win-both-ways system, Expanding Wilds, the Free Spins feature, and the win multiplier up to 8x in The Heroes, a classic 5x3 video slot with 10 adjustable paylines.

The actual special powers of the team in question will remain a mystery, but they will help you land big wins since all four of them act as high-value symbols. The game boasts colorful, cartoonish visuals, and a fitting soundtrack. Players can benefit from the Expanding Wild symbol, which lands only on the three central reels and triggers respins. The Scatter is there to trigger up to 20 free spins. As for the vault, it delivers multipliers, up to 8x. This medium-to-low-volatility video slot offers a max win of 20,000x coin value.

Bonus

The Wild is represented by a strange violet planet. It substitutes for all the regular symbols and appears only on reels 2, 3, and 4. Every time you land a Wild, it will expand to cover the entire reel it landed on. Furthermore, it becomes a Sticky Wild, remaining in its position, while other reels respin. If another Wild appears during the respin, you get another respin. Up to 3 respins with up to 3 Wild reels may occur in succession.

As for the Free Spins feature, it is triggered when 3 or more Scatters appear on the screen. Depending on the number of Scatters landed (3, 4, 5), players can trigger 5, 10, or 20 free spins at once. Land at least two vault symbols on the reels on a winning spin to activate the multiplier. The size of the multiplier also depends on the number of vault symbols landed in one spin. For example, if you land two vaults on a winning spin, the win is doubled. Five vaults in a single spin will boost your win with a tasty 5x multiplier.

The Heroes Slots Real Money

The Heroes is a classic 5x3 video slot that offers 10 adjustable paylines. Before you start spinning the reels, there are several things you need to do. First, decide how many paylines you want to play with (1-10). Next, set the coin denomination (\$0.05-\$5). Depending on the selected number of paylines, and the selected coin denomination, players can bet between R\$0.05 and R\$50. To win payouts, you need to land at least three matching symbols on an active payline. The slot pays left to right and right to left, starting from the leftmost or the rightmost reel.

The oldest hero among the four members of the team, the one with a white beard, is the highest-paying regular icon, offering 250x the coin value for five of a kind. Set the coin denomination to

the maximum, and you may win up to R\$1,250 in a single payline. If you boost the win multiplier to the max, you may pocket as much as R\$100,000.
